

Brocton – Portland Water System Water Service Application

Date_____

Property owner_____

Property Address_____

Parcel ID_____

Phone Number_____

Email_____

Billing Address_____

Signature_____

Prior to water service installation, a Brocton Portland water system employee will make a site visit to review and explain service installation process. The employee will also determine size of service, which will determine price of installation. All installation fees need to be paid in full before installation will be performed. Payments can be mailed or paid in person at Village of Brocton 34 West Main St. PO Drawer B Brocton, NY 14716.
